Harassment, in a broad sense—moral and sexual—and its consequences on labor relations

2. According to the extent and intensively of the violation, sanctions vary starting from disciplinary and administrative penalties to criminal punishment, inter alia, imprisonment.

3. There has not been such a case so far.

4. Code of Judicial Ethics of Georgia regulates those kinds of violations. If deontological provisions are violated, that may result in disciplinary penalties starting from a reprimand and ending with dismissal from office.
